### Tennis Meeting

In case you missed it, OPC organized an informative meeting at the Oxford Convention Center on June 22 to go over the proposed expansion to the Leslie Courts. There were approximately 200 people in attendance and the meeting went very well. Rob Boyd with the Oxford Park Commission outlined the plans for the expansion and provided information on where we stand with moving forward with construction. Those in attendance had a good round of questions after Rob finished presenting and suggestions that were made during the Q&A were noted and are being discussed. We are asking each of you to contact your Alderman and Supervisor to encourage them to support this endeavor. At the time that I am writing this email, we have already had several of us contact our elected officials and have received some good feedback from our Aldermen and Supervisors, so keep up the good work. More information will follow as I receive it.

### Tennis Survey

In an effort to gain as much information as possible from you, we are creating a survey that will be sent out to each of you in the next couple of days. I would really like to ask each of you to take the time to fill this survey out and send it back to us. It will be all electronic and I am hopeful that it will not take more than a couple of minutes to complete but will hopefully give us a wealth of information to work with.

### League Tennis

We hope to have the schedules up on the website in the next couple of days so that you can look for court availability from the comfort of your home.

## League Tennis

### New Players in the area,

I have a list of people in the Oxford area that are looking to find people to play with either on a team or just for recreation. I know that we all have the group that we like to play with, me included, but I am asking each of you to look and see if you have an opening for someone new. Some of the closest friends that I have in Oxford are a result of meeting them on the tennis courts and we should all be open to the idea of helping someone new get connected. I have three or four ladies that are looking for a team and a gentleman or two. Do you have a spot for one of them? If so, let me know and I will get them in touch with you.

### Tennis Gear

Were you aware that The Swing Shoppe out of Southaven has a booth set-up at the Sugar Magnolia on University Avenue next to AutoZone and behind Oby's? While their selection is a little limited this is a location where you can go in and pick up some clothes, maybe a racquet and some shoes. If there is something that you want but don't see, give them a call and they will usually try to arrange a time to meet you to get you what you need. Their number is 662-895-0313 662-895-0313 .
